Plants vs Zombies is a tower defense game that was released in March 2009. It was developed by PopCap Games and published by Electronic Arts. The game was only released on the iPhone, iPod Touch and iPad, but it was eventually released for the PSP and later the PlayStation Portable. The game was released as a free-to-play app in the iTunes App Store, which was only released in the United States in April 2009. It is now also available as a free-to-play app on the Google Play Store. WARNING! Plants Vs Zombies is an extremely addictive game. Do not play it for more than an hour at a time or you may never stop.
