August 23, 2021 - Effectrix is a professional multi-effect sequencer that is a game-changer in modern music production. Coloring the colored blocks. Animation. And... After all, it's just a sequencer. Effectrix can do what you want and how you want, even if you don't know anything about it. Unlike other sequencers, Effectrix will teach you. Will teach you. And help you become who you want to be. With Effectrix, you start with an empty track, with empty tracks. But you can add as many elements to it as you like.
