Ample Guitar is an incredibly comprehensive sample library of guitar amps and effects. This powerful sample library is guaranteed to improve your songs from the ground up! Inside Ample Guitar you will find a selection of amazing guitars and effects and top quality, royalty free samples to build your tracks. Get Ample Guitar for only $89 +$10 for shipping. Thank you, I had two products(or more) of the same name. Would I be correct in saying that this is another software by Jamsky that installs easily in your existing program and offers the plethora of customisation and templates that are lacking in many programs. So, essentially a factory built library of pre programmed songs... this is pretty cool, is it worth the money? I tried out Ample Guitar and it came with a free 24 hour trial to the sample library. Ample Guitar costs $89.00. Ample Guitar is a powerful guitar sample library from Jamsky. From the company: - ***Ample Guitar is a powerful guitar sample library from Jamsky. *** -. ***Experience the power of a real guitar with Ample Guitar! *** -. .Ample Guitar has over 3,000 sounds that will become the heart of any music production project!. Sound Label: Hot Chick Records . Electric guitar used exclusively in demo tracks. . With 3da54e8ca3
